**To: Future CVA Parents**  
**Subject: Frequently Asked Questions**  
**From: CVA Administration Team**

**1. When is the tuition due? How can tuition be paid?**

Tuition is due every Friday; however, payments can be set up based off the payment schedule each family selects. (biweekly, monthly, etc.) **See handbook for more details.**

**2. What is the lunch procedure?**

Breakfast and afternoon snack are provided by CVA free of charge. All parents are required to provide a Cold lunch for your child.

**3. What safety features are in place?**

We have cameras in each classroom and in the front hallway. We also offer key tags to each parent as a way of entering the building. This ensures that only person or persons with children in the center can enter. We ask that families don't allow anyone to come into building without key tag.

**4. What type of curriculum is used?**

We use the Pinnacle curriculum alongside the A-Beka curriculum, both are faith based and teach about God. We also offer the enrichment classes daily.

**5. What are the hours of operation?**

Our doors open at 6:30 a.m. each morning. Children are not permitted in after 10:30 a.m. as teaching begins daily at 9:00 a.m. We close at 6:30 p.m. every evening. These hours are Monday-Friday. **Please refer to handbook for late fee information.**

Each class is different; however, you should bring all of the following:
